2. All discussions/consultation in office be made to the extent possible through telephone or other electronic gadgets instead of physical interaction in officer's chamber or in the cell/branch. While working in Office, one should confine himself to his own room/cell. If requirement arises for physical meeting, proper physical distancing of at least one metre be maintained.
3. Gossiping, loitering and crowding in corridors should also be avoided and physical distance of one meter be strictly maintained at all times. Avoid unnecessary meeting with colleagues/Officials. MTS/other staff attached with Senior Officials who sit in corridors are also to adhere strictly to these guidelines of physical distancing.
4. Lunch be taken individually. Group lunch with colleagues/friends be discouraged.

If required, they should themselves first sanitize their hands before and after using such equipments. Such equipment should also be disinfected (surface or common area being touched) before and after use.
7. Face masks/cover be worn at all times.
8. In case, any Official is having symptoms of COVID-19 or has come in direct or indirect contact with COVID-19 positive patient during last 14 days or has any COVID-19 positive patient/relative in self quarantine at his residence, then such official may invariably opt out from reporting to office and self quarantine for 14 days duly informing the controlling officer with details/supporting document of the case. Such officials should work from home.
