Sub: Regarding grant of benefit of 3% fitment of new recruited AAOs.

Madam,

I am directed to refer to your office letter dated 04.04.2019 on the aforesaid subject forwarding therewith representations of 4 new AAOs for grant of 3% fitment benefit and pay fixation on promotion from Sr. Accountant to AAO cadre (Pay Matrix Level-8) on the basis of qualifying LDCE-2018 after grant of MACP in Level-7. In this regard, it is intimated that the matter has been examined in the light of clarifications/guidelines issued vide this office letter dated 07.02.2013 and letter no.25/7/2019-CS.II(B) dated 27.08.2019 issued by Department of Personnel & Training which envisages as under:-

1. There are two separate cadres available in operational side and PAO side having different line of promotion. The promotional hierarchy of a Postal Assistant is LSG..HSG-II...HSG-I, PA can only become eligible for promotion to JAO(Now merged as AAO) cadre by qualifying the relevant examination. Thus promotion of PA to AAO is not in its promotional hierarchy.
2. Those who have already earned two financial upgradation (TBOP/BCR) and one regular promotion (AAO Cadre) will not be eligible for 3rd financial up gradation under MACP Scheme.
3. The officers who who have got MACP/regular promotion in different hierarchy will be eligible for the benefit of 3% fitment benefit at the time of fixation of pay on regular promotion to AAO cadre, as the promotion to the cadre of AAO is not in the hierarchy of PA (Postal Assistant).

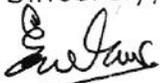

Para 2 of letter no:25/7/2019-CS.II(B) dated 27.08.2019 issued by Department of Personnel & Training further envisages that:-

"Benefit of pay fixation available at the time of regular promotion shall also be allowed at the time of financial upgradation under the Scheme. Therefore, the pay shall be raised by 3% of the total pay in the pay band and the grade pay drawn before such upgradation. There shall, however, be no further fixation of pay at the time of regular promotion/grant of Non Functional Scale, if it is in the same grade pay as granted under MACPs. However, at the time of actual promotion/grant of Non Functional Scale, if it happens to be in a post carrying higher grade pay than what is available under MACPs, no pay fixation would be available and only difference of grade pay would be made available/ At the time of such regular promotion/grant of Non-Functional Scale to the higher grade pay than what has been given under MACPs, the employee shall have the option to draw the difference of Grade Pays from the date of such regular promotion/grant of Non-Functional Scale or the date of accrual of next increment in the pay allowed under MACP".

In view of the rule position as narrated above, AAOs who have been promoted from SA Cadre, and were working in Level-7 after getting MACP-III in SA Cadre, 3% increment fitment benefit is admissible to them while fixation of their pay in AAO cadre, their pay will be fixed in Level-8. The officers who were already working in Level-8, there shall, however be no further fixation of pay at the time of regular promotion/grant of Non Functional Scale, if it is in the same grade pay as granted under MACPs. "

Therefore, representations of the officers may be disposed off accordingly.

Yours Sincerely,

(C.S. Guleria)
