- (ii) Transfer of an official when requested for own convenience, shall not be discouraged if they can be made without injury to the rights of others. Transfers shall be considered in following two ways:
 - a. Cases where an official seek transfer by providing mutual exchange
 - b. Cases where an official seek transfer without providing mutual exchange
- (iii) For transfer by providing mutual exchange, both employees should belong to same cadre, category (under which selected) and mode of recruitment. Further, in order to safeguard the right of employees borne in the gradation lists of both the offices, the official brought in shall take the place, in the new gradation list; that would have been assigned to him had he been originally recruited in that unit or the place vacated by the official with whom he exchanges appointment, whichever is the lower.
- (iv) When an official is transferred at his own request but without arranging for mutual exchange, he shall rank junior in the gradation list of the new unit to all officials of that unit on the date on which the official joins the new unit.
- (v) If the old and the new unit form parts of a wider unit for the purpose of promotion to a higher cadre, the transferee (whether by mutual exchange or otherwise) will retain his original seniority in the gradation list of the wider unit.
- (vi) An official who was transferred under provisions of Rule 37 shall not be eligible to seek transfer under Rule 38 for a period of three years. After completing three years' period, such official can request for transfer under Rule 38 to any unit within or outside Postal Circle, subject to fulfillment of other conditions laid down for transfer under Rule 38.
- (vii) An official transferred from one unit to another will be allowed to seek re-transfer to his/her old unit. However, such cases shall be considered as a fresh transfer case under Rule 38 subject to all other provisions of these guidelines.
- (viii) To remove any doubt, it is clarified that an official on re-transfer to a unit from where he/she was transferred earlier shall not be entitled to the seniority or any other special privilege to which the official would have been entitled by virtue of his/her position in the gradation list of the old unit before such initial transfer. Seniority of such official will be determined in the manner provided in para (iii),

(iv) & (v) herein above. However, if an official who had appeared in a Departmental Examination before transfer under this rule, he/she will not forfeit the right of being considered for promotion in the old unit on the basis of such Examination, but, will not have any such right in the new unit. If an official qualifies in the Departmental Examination which he/she appeared in old unit, such official shall directly join the promoted post in the old unit and such appointment in the old unit shall not be treated as transfer under this rule.
