OFFICE MEMORANDUM

Subject: Monthly reconciliation of expenditure by DDOs-reg.

Attention is invited to the Rule 57(5) of General Financial Rules (GFR), 2017 which specifies that the Head of the Department and the Accounts Officer shall be jointly responsible for the Monthly reconciliation of the figures given in the accounts. The PAOs shall furnish to each of their DDOs including CDDOs, an extract from the Expenditure Control Register or extract from the compilation sheet every month indicating the expenditure relating to grants controlled by the PAO, classified under the various head of accounts. Discrepancies, if any, between the two sets of figures shall be promptly investigated by the DDO in consultation with the PAO.

2. Further, Rule 57 (5) (iii) of GFR, 2017 provides that the DDO shall furnish to the PAO a certificate of agreement of the figures as per his books with those indicated by the PAOs by the last day of the month following the month of accounts. The importance of carrying out this monthly reconciliation exercise was also reiterated by CGA in last Senior Officers meeting held on 01-05-2023.

3. All Pr.CCAs/CCAs/CAs (i/c) of Ministries/Departments are, therefore advised to issue instructions to PAOs under their control to ensure that monthly reconciliation with Non-cheque Drawing DDOs(NCDDOs) are being carried out and to obtain a certificate from NCDDOs as per the provisions contained in Rule 57 (5) of GFR, 2017. Further, a report also should be given by PAOs invariably to the respective Pr. AOs for its compliance through Monthly DO in this regard. This reconciliation is essential and should be done regularly every month without fail. The absence of such regular reconciliation can lead to undetected differences in expenditure, even resulting in the occurrence of serious adverse consequences like fraudulent payments etc.
