75 years	15% of Basic Pension
80 years	20% of Basic Pension

2. Ministry of DoP&PW vide their above referred letter had stressed for early implementation of the above recommendations of the Parliamentary Committee.
3. The Government seems to be in agreement with the above said recommendations for Additional Pension from the age of 65, 70 & 75 years but has not implemented the same due to its financial implications, as mentioned in 120<sup>th</sup> Report of Parliamentary Committee on Pensioners grievances.
4. The Pensioners continue to suffer due to ever rising cost of sustenance in old age due to failing health, ever rising cost of Medicines besides those of other social and family responsibilities. Financial implications of the proposal for additional Pension may please be reviewed sympathetically keeping in view the hardship of the Pensioners with every passing year of age. The Government of India may please consider the proposal sympathetically and provide for requisite funds for the same.
5. It is, therefore, requested that above said recommendations may please be implemented for grant of additional pension of 5% on attaining 65 years of age, 10% from 70 years of age and 15 % on attaining 75 years of age, in line with 20% of additional pension as already granted on attaining the age of 80 yrs.

Yours truly,

Harchandan Singh
