3.0 General

At the same time, only those contractors are allowed to continue in the list that remain active in DoP and perform satisfactorily.

3.2 The enlistment of a contractor in DoP shall only entitle him to participate in the tenders, subject to the conditions of each notice inviting tender. It does not confer any right or claim on him to qualify him or to award work to him.

3.3 These rules may be revised or repealed by new rules. The enlistment of a contractor shall be governed by the revised or new rules existing at the relevant time, if any, and not by the rules prevailing at the time of enlistment.

3.4 The enlisted contractors can tender within their tendering limit for works all over the country irrespective of jurisdiction of the enlisting authority. The tendering limit is uniform all over India.

4.0 Repeal and savings

4.1 All existing rules regarding enlistment and revalidation of contractors in DoP are hereby repealed.

4.2 Notwithstanding such repeal, the contractors already enlisted on the basis of rules hitherto in force shall continue to enjoy the status of enlisted contractors of DoP till the period of validity of such enlistment, including revalidation or extension granted before coming into effect of the Enlistment Rules, 2023. However, in such cases, all conditions of enlistment including financial limit to tender shall be applicable as per the Enlistment Rules, 2016.

4.3 A Contractor already enlisted under Enlistment Rules, 2016 will have liberty to make a fresh application for enlistment under instant Enlistment Rules, 2023 even during the validity of existing enlistment. The Enlistment so issued will automatically supersede the existing enlistment from the date of issue.
